

EARLY RESIGNATION NOTICE INCENTIVE

At the June 25, 2008 meeting of the Sharyland ISD Board of Trustees, approval was granted for the district to offer an “early resignation notice incentive”. The district will offer an incentive to retiring teachers who give early notice if they intend to retire at the end of the year. Retiring teachers who give the district notice by March 1 will earn \$50 per day for up to 20 days of unused local sick leave---a maximum of \$1,000.

We are pleased to offer this fringe benefit to Sharyland ISD professional, contracted teachers.
